Lucia Ryan discovered her passion for acting in a drama class in 4th grade. At the instructor's suggestion, she met with an agent and booked her 1st commercial on her very 1st professional audition. She has consistently worked on multiple commercials, several films, (even directed by Steven Spielberg!) &

currently portrays Kevin Bacon's daughter on the Showtime series City on a Hill. Lucia is equally adept at comedy & drama. Her sincere & realistic ability to tear up & cry has always impressed directors.
